PARTITION

IP487 Series

4-7/8" with 1-1/2" Trim Glass Wall System

The D8 Aluminum IP487 Series Glass Wall System is an interior partition that has the flexibility to meet ever-changing design demands. It is a non-load bearing system that utilizes snap-on technology—removing the need for rivets, caulk or screws.

This system delivers a contemporary look that can be customized to accept multiple door styles and comes in a wide variety of painted and anodized finishes.

The IP487 Series Glass Wall System comes with an industry standard factory warranty.

FEATURES	RESULTS
Aluminum system	Sleek profile, long-lasting strength and durability
Screw spline or corner key construction	Installation flexibility and efficiency
Snap-on trim	Hidden fasteners—aesthetically pleasing design
